Education

Bachelor of Technology, CSE-AI, PSCMRCET 09/2022 – Present
GPA: 8.61 | Percentage: 78.65% | Vijayawada, A.P, India

Intermediate, MPC, Narayana Jr. College 06/2020 – 06/2022
Marks: 939/1000 | Percentage: 93.9% | Vijayawada, A.P, India

Guntur Oxford E.M High School 06/2016 – 06/2020
Marks: 600/600 | Percentage: 100% | Vijayawada, A.P, India

Projects

Career Guidance Chatbot

- Developed a chatbot to provide career-related advice and personalized guidance for students. Designed to answer queries and recommend resources.
- *Tech Used: Python, Flask, NLP, Gemini API*

AI Chatbot (Text & Image Generation)

- Built an interactive chatbot that generates both text and images using AI models through API integration. Implemented response handling and user-friendly interaction.
- *Tech Used: Python, Flask, API Key Integration (OpenAI/Hugging Face), HTML/CSS*

Resume Analyzer

- Implemented a resume analysis tool that evaluates candidate resumes, highlights skills, and suggests improvements for job readiness.
- *Tech Used: Python, NLP, Machine Learning*

Internship

TAP ACADEMY 01/2026 – Present

- Currently interning as a Java Full Stack with AI developer, building full-stack applications using Java backend, React frontend, and integrating AI capabilities.

BLACK BUCKS 05/2025 – 07/2025

- Worked on AI/ML projects applying machine learning techniques to practical challenges.

AIMER SOCIETY 04/2024 – 07/2024

- Gained hands-on skills in Power BI and AI-driven solutions.

Skills

Languages Known: Java, Python, C

Frontend: HTML, CSS, JavaScript, React, Tailwind CSS **Backend:** Java **Database:** MySQL

Soft Skills: Communication, Teamwork, Problem-Solving, Time Management

Tools: Power BI, Git/GitHub, Microsoft AI Tools, API Integration (OpenAI/Hugging Face, Gemini)

Certifications

1) Introduction to Generative AI – IBM 2)Introduction to Machine Learning – NPTEL

3)Aviatrix Multicloud Network Associate -- Aviatrix
